Issue of Admit Cards to the admitted candidates have been implemented with effect from April 2013 Session vide Public Notice dated the 14th March 2013 which is published in DGCA web site on 15th March 2013.

Co-Operation from most of the candidates made the project of issue of Admit Card fairly successful during the April 2013 Session. However, the subject card issue project could not be completed 100% due to certain reasons as, many candidates have either not uploaded the Photograph & Signature images as per the Public Notice dated the 14th March 2013 or uploaded but their hard copy of the Photo form could not reach Central Examination Organisation as on date and hence their Photograph & Signature could not be approved. And also since March 2013 few fresh applicants have been allotted with Computer Numbers for whom the Admit Card issue process is required to be completed.

In view of the above to facilitate issue of admit cards with photograph, all applicants desirous of appearing for Pilots License Examination who are in any of the following category are required to upload the image of their photograph and signature in <http://udaan.nic.in> :

1. Applicants who have not uploaded their Photograph & Signature (either old candidate or applicants allotted with Computer Number since March 2013)
2. Applicants who have uploaded but whose Photograph & Signature were not approved by DGCA.
3. Applicants who have uploaded but their hard copy of the form not reached CEO, DGCA as on date.

Note: Candidate can log on to <http://udaan.nic.in> and check whether their Photo form has been approved by DGCA or not. After logging in to the said site upon selecting upload Photo & Signature, if the message appears as “You cannot upload a new file(s) as the existing file(s) have already been approved”, it is an indication that the Photo & Signature of that particular candidate has been approved and no action required from such candidates. Similarly after selecting upload Photo & Signature if “BROWSE” option is prompted, it is an indication that either the Photo form has not been approved by DGCA or your hard copy of the Photo Form has not reached CEO, DGCA as on date. If “BROWSE” option appears, please do upload the Photograph & Signature and forward the hard copy of the Photo Form in accordance with the Instruction published to this effect.

The issue of admit card shall be made compulsory for Pilots License Examination from July 2013 session. The admit card shall contain the applicant’s photograph in addition to the Computer Number, Roll Number, session, category, subject / paper, Date, Centre / Venue details of the examination.
