OFFICE OF THE DIRECTOR GENERAL OF CIVIL AVIATION
OPP. SAFDARJUNG AIRPORT, NEW DELHI -110 003

PUBLIC NOTICE

File No AV.27088/01/2017-ANS
Dated: 27 March, 2017

Subject: - Exemption to Install ACAS 7.1 version on Indian registered aircraft to meet the requirement of **Para 4.3.5.3.3** of CAR Section 9 Series D Part V.

As per para 4.3.5.3.1 of CAR Section 9 Series D Part V, "**New ACAS installations after 1 January 2014 shall monitor own aircraft vertical rate to verify compliance with the RA sense. If non-compliance is detected, ACAS shall stop assuming compliance, and instead shall assume the observed vertical rate**". Compliance of this requirement can be achieved by implementation of TCAS version 7.1. As per para 4.3.5.3.3 of above CAR, "**After 1st January 2017 all ACAS units shall comply with the requirements stated in 4.3.5.3.1**".

Considering the progress made by the industry the applicability of para 4.3.5.3.3 of CAR Section 9, Series D, Part V has been extended till **1st July 2017**. All concerned shall comply the requirement in stipulated time. No further extensions will be considered in this regard.
