

**GOVERNMENT OF INDIA
DIRECTORATE GENERAL OF CIVIL AVIATION
Opposite safdarjung Airport, New Delhi -1100 03**

File No. : 11-690/Sec2/E-VIII/2012)

Dated: 8th March 2017

PUBLIC NOTICE

DGCA approves AME Training Institutes to impart ab-initio training in the field of aircraft maintenance. A large number of AME students after spending three years in such institutes do not get employment. Since these courses are not recognised by any Government Body as degree or diploma, the 3 years spent by students in these institutes becomes unproductive.

In order to safeguard the interest of AME students, the University Grant Commission in consultation with Ministry of Civil Aviation has introduced a B.Sc (Hons) course in Aircraft Maintenance and a template for model syllabus has been published which is available at UGC website site at http://www.ugc.ac.in/pdfnews/0259615_BSc-Hons-Aircraft-Final-Syllabus.pdf.

The training institutes may use the template for obtaining affiliation with UGC recognized University for higher learning.

(B S Bhullar)

Director General of Civil Aviation
